Theme 2: Embedded Good Governance & Public Service Professionalisation

a. Promoting Transparency, Accountability, and Oversight within PSCBC Processes

- ✓ PSCBC processes to be in line with the constitution of council, and all other applicable legislative provisions to ensure good governance.
- ✓ The PSCBC processes to embrace values of accountability, transparency, diligence, impartiality and effectiveness.
- ✓ Continuous capacitation of council members on issues of good governance and ethical leadership in terms of all King V principles , ranging from ethical and effective leadership to stakeholders.
- ✓ Development of a monitoring and evaluation tool/decision matrix for all sub- committees as part of providing information and providing an oversight role by parties to the council.

Theme 2: Embedded Good Governance & Public Service Professionalisation

b. Representative Turnover to be Addressed by Respective Parties in the PSCBC in Ensuring Good governance Processes in the Different Sub-committees of the PSCBC (e.g., ExCo, FinCom, etc.).

- ✓ Encourage and have a buy in from parties to the PSCBC on the development of a retention strategy in terms of representatives serving on the different sub-committees of council in terms of Principle 6- Committees of Governing body, also on the separation of power by Exco, fin-com and any other sub-committee on who takes final decisions between them and council being the highest decision-making body, looking into enhancing the representation of parties across the committees.

Theme 2: Embedded Good Governance & Public Service Professionalisation

b. Representative Turnover to be Addressed by Respective Parties in the PSCBC in Ensuring Good governance Processes in the Different Sub-committees of the PSCBC (e.g., ExCo, FinCom, etc.) cont.

- ✓ Promote continuity of sub-committee members in the PSCBC , though representatives may be changed from time to time by parties and its not under our control, if that happens there should be induction for new members to uphold good governance
- ✓ Allow for the continued development of a second generation of sub- committee members in the PSCBC, through empowering team members across parties through representation on different aspects.

Theme 2: Embedded Good Governance & Public Service Professionalisation

c. Strengthening of Social Dialogue amongst Parties in the PSCBC, Allowing for Good Governance within Council.

- ✓ Improvement of the trust deficit amongst parties in the PSCBC.
- ✓ Promote continuous engagement in the PSCBC enhancing good governance.
- ✓ Encourage collaboration with strategic stakeholders to forge good governance.
- ✓ Continued participation in regional and international labour law conferences, to allow for knowledge exchange , benchmarking exercises and learning best practices.
- ✓ Promote the continued convening of social dialogue forums, e.g., public service summit, and the implementation of resolutions.

Theme 2: Embedded Good Governance & Public Service Professionalisation

d. Policy Reviewal Processes to be Implemented within the PSCBC and for the Review of the Council constitution to Align with Current Times and Emerging Needs.

- ✓ Consider the reviewal of the PSCBC constitution to align with current times and emerging needs which will outline the specific needs that may need to give effect to ,without leaving it open ended.
- ✓ Development of an improved communication strategy for sub-committees of the PSCBC.

Theme 2: Embedded Good Governance & Public Service Professionalisation

e. Align the Reviewal Processes to the King V Principles (ensuring good governance)

- ✓ The review process of Council policies to be embedded on ethics, effectiveness and legitimacy.

Characteristics and Values:

Integrity which entails:

- ✓ Acting in good faith and in the best interests of the organization.
- ✓ Avoiding conflicts of interest, in cases where a conflict cannot be avoided, it should be disclosed and proactively managed.
- ✓ Acting ethically beyond legal compliance.
- ✓ Create an ethical organizational culture.

Theme 2: Embedded Good Governance & Public Service Professionalisation

f. Professionalisation

- ✓ Capacitation of negotiators and ensuring consistent provision of skills programmes within the public service which includes labour involvement.
- ✓ Full implementation of the 2022 public service summit resolutions and public service charter on professionalisation.
- ✓ Introduce continuous professional development linked to improved service delivery.
- ✓ The PSCBC to commission on professionalisation of the public service.
